

Christina S. Gough

BSN, RN, CLNC
Certified Legal Nurse Consultant

Advanced Northwest Legal Nurse Consulting, Inc.

**Attorneys, merge my
30++ years of varied
nursing experience with your law
experience for sure financial success!**

My 30+ CLNC® services are also appropriate for insurance companies, M.D.'s, healthcare facilities, government agencies and private corporations.

Seven types of cases: medical malpractice wrongful death, personal injury, product liability, toxic tort/environmental, workers compensation, criminal cases and any case where health, illness or injury are present.

Call me for any medically related cases, plaintiff or defense.
I screen cases for merit and demystify medical records/EMR (Electronic Medical Records).

Let me save you time & money!
